

COMMUNITY CHRISTIAN SCHOOLS VANUATU

A MINISTRY OF LIBERTY PEOPLE (AUSTRALIA)

COMMUNITY CHRISTIAN SCHOOLS VANUATU is registered in Vanuatu as a Charity and an Education Authority, with the vision of providing 'affordable and accessible Christian education' to selected needy communities in the islands EFATE AND TANNA. The main school, **Port Vila Community Christian School**, is located just outside the Capital City of Port Vila, in the Prima community. It provides education from Pre-School to Year 13. The school property is also the Liberty People (Australia) Ministries Centre in Vanuatu.

CCSV supplements a core curriculum of the *Accelerated Christian Education* English, Math, and Social and Science Studies, with other studies including Vanuatu Social Science and Computer. The schools aim to provide students with a Christian education relevant to their lives in Vanuatu.

PARTNERS OF CCSV, through Liberty People (Australia) or direct to CCSV, provide the essential funding for staff sponsorship, curriculum and other classroom supplies, student health and nutrition, and buildings and maintenance. Partnerships enable very low school fees, ensuring that school education is easily accessible to boys and girls in poor communities. Contributions from school student families are also a vital part of the support system and sustainability of the schools.

THE SCHOOL STAFF is comprised of 100% local Ni-Vanuatu Christian men and women. Some of the teaching staff are registered teachers, while others are qualified by their years of training and experience within the CCSV schools.

COMMUNITY INVOLVEMENT Parents and friends of the schools assist with fundraising and events, adding to the community spirit in the schools, and giving the community a sense of ownership of the success and positive impact of the school. The school property is also used for community education, vocational training, and community assistance in times of crisis.

CHRISTIAN OUTREACH Staff and senior students are involved in community outreach efforts, and the school property provides a wonderful venue for large community Christian outreach events.

AUSTRALIAN SCHOOL TEAMS visit regularly and assist with providing consumable school supplies, staff development, and classroom assistance. Regular building teams and supplies shipped from Australia enable the establishment and development of facilities and maintenance.

Community Christian Schools Vanuatu seeks to bring positive, permanent change to its students and staff, one life at a time! For information about sponsorship or other involvement, go to www.libertypeople.com.au or the contact details below.
